
Discover the presentation on eCOA setup held by Estelle Haenel, Medical Director @Kayentis, during Clinical Trials Europe and Outsourcing in Clinical Trials Europe!

CONTENTS

Prepare Specifications: how to mitigate risk and anticipate complexities

User Acceptance Testing: who is responsible for performing the UAT and why?

Selecting the **eCOA back up strategy**: how to make sure it will be adapted to every situation (even the unexpected ones?)

How to **keep the patient and the site at the heart of the decisions** without jeopardizing data integrity?

Estelle Haenel, Medical Director @Kayentis
