#9 eCOA COMMITMENT: Be cautious about clinical spend

kayentis · Tuesday, November 29th, 2016

Because clinical trials can cost a lot, Kayentis allows you to reduce your costs

We allow you to reduce your costs:

- Our pricing policy is based on fixed costs, ie a very low number of amendments (if any).
- There are no surprises.
- We can price in € or \$.
- We are always amongst the most competitive bidders.
- We propose efficiencies for your program.
- We are happy to be challenged...and to help you challenge your other vendors.
