

## CHALLENGE YOUR eCOA VENDOR

# 6 good reasons to select Kayentis

## Choose a strong partner to ensure the success of your decentralized clinical trials

### #1

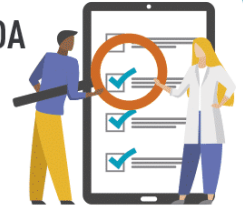

We have a unified and open platform for decentralized clinical trials

- > **eCOA data collection any time, anywhere**
  - Via multiple data collection modes: Provisioned devices (PD), BYOD, WebCOA, Interview mode
- > **Embedded patient engagement features**
  - Televisit, Participant Feedback Questionnaire, and Kayentis Media Player
  - Patient portal and medication reminders  **ClinOne**
  - eConsent solution  **eConsent**
- > **Easy to use for all clinical trial stakeholders**
  - A single device for multiple use, with single sign-on, and simplified support
  - A platform open to integration with external solutions and other data collection systems (e.g. eConsent, patient portal, IRT System, data lake)

### #2

We have the solid eCOA experience required to face clinical trials complexities

- > **eCOA is core to our expertise**
- > **Ability to support the most complex trial designs**
- > **+18 years worldwide eCOA experience** in most therapeutic areas
- > **Key player in the eCOA ecosystem** 

### #3

We have in-depth clinical & scientific expertise

- > **Scientific support end-to-end**  
Protocol review, warning on protocol specifics or patient population characteristics, collaboration with patient associations
- > **Highly qualified and experienced operational team**
- > **Regulatory expertise**

### #4

We have a strong culture of data management

- > **Set up with a data management mindset**  
A Data Manager is assigned from the very start
- > **Robust functionalities** to ensure data management activities throughout the study
- > **Rigorous database lock and global quality control** at study end

### #5

We work hand-in-hand with you to meet your requirements, propose flexible options, and deliver top-quality services

- > **Best-in-class quality of services**
  - 95.6% Recommendation Rate (2023 survey)
  - Our key values: trust-based relationships, strong reactivity, & high flexibility
- > **Client-oriented organization**  
Straightforward Governance, experienced & long tenured staff, operational team proximity (USA-Europe-Asia)

### #6

We are a sustainable company in a sustainable world

- > **First eCOA vendor committed to conducting carbon-neutral eCOA trials** with a strong dedicated program
- > **CSR is a shared vision in the company**
  - Meaningful actions through highly engaged teams
  - Yearly assessment of our carbon impact (scope 1-2-3)
  - Member of the United Nations Global Compact since February 2023
