Kayentis is looking for a Clinical Project Director for its Running Services and activities. This permanent position is based in the Grenoble region (Meylan) FRANCE.

As Clinical Project Director, you coordinate and manage clinical trials during their running and closing phases.

You lead the team and you are responsible for the quality of service delivered and customer satisfaction.

Responsibilities:

You are leading for the following activities :

- management of HR related topics (staffing, setting goals for your team, anticipating any future needs, developing your team members
- Management of projects operationally (setting priorities, customer escalation, in close collaboration with the governance team in charge of the Account).
- Responsible for all Project management running processes, you ensure their implementation, respecting good clinical practises, leading improvements / and any changes and adaptations.
- Regular reporting to the Manager of Running Services
- Active involvement during escalation phase due to customers complaints
- Support to Governance teams in their mission with Kayentis Customers

Your profile:

- A Degree as Clinical research Associate, or Pharmacist, or Clinical Project Manager in the field of clinical trials with a solid experience of 5/6 years in this field.
- You have already a first successful experience in team management
- Ideally a knowledge of the eCOA field
- Excellent relationship skills, and team spirit mindset
- You are fluent in English in the business day to day
- Organization and rigor are essential qualities for you.
