**KAYENTIS** is a software solutions provider specialized in pharmaceutical clinical trials.

Our core competence is in patient data capture and processing (eCOA) solutions.

With 14 years of global experience in eCOA, Kayentis has supported more than **200 clinical trials** in **75 countries** with more than **70,000 patients**. Its head office is located in Meylan, near **Grenoble**; Kayentis is also present in **Boston** and will have a subsidiary in **Tokyo** in 2020.

Joining Kayentis' teams means choosing a fast-growing company committed to improving clinical trials and the **well-being of its employees**.

**KAYENTIS** is growing! Develop your career with us!

Join an international, cohesive and dynamic team and develop new skills!

The Clinical Project Manager **permanent position** is based in Boston, MA (USA) and reports to the Manager Running Services.

The Clinical Operations Project Manager manages clinical trials during their running and closing phases. For this purpose, you provide functional support to sponsor and site clinical teams as well as activity and data monitoring.

### Your Mission :

- ✓ You manage the activation of sites through accounts creation, shipment of devices, planning of trainings
- ✓ You pilot the resolution of the actions to be carried out on running projects and provide feedback during regular points with the sponsor or through the channels set up with the users
- ✓ You maintain regular contacts with the client (meetings & calls)
- ✓ You interact with the outsourced helpdesk
- ✓ You relay customer needs to internal teams
- ✓ You proactively monitor the key elements of the study and associated risks, and anticipate the key actions to be launched with the client in the running phase
- ✓ You manage communication & coordination of issues until resolution
- ✓ You manage the closing of sites through return of devices, shipment of archives

### Your profile :

- ✓ Bachelor's or Master's degree in Pharmacist, Project Manager, Clinical Research Associate with project management experience, or equivalent
- ✓ Minimum of 2 years in the field of clinical trials
- ✓ You demonstrate a sense of organization
- ✓ You are proactive and know how to organize your activities and manage priorities in an autonomous way with a resistance to pressure
- ✓ You have an excellent relationship, team spirit
- ✓ You are customer oriented with a good communication

# Kayentis

Dedicated to eCOA & Patient Engagement

**Your benefits :**

- ✓ Flexible working hours
- ✓ Bonuses
