

Unlock Additional Capabilities for your next Clinical Trial

A single point of entry for all features: best-in-class eCOA, Consent Management, and Patient Engagement Solutions

eCOA SOLUTION

Improve the patient & site experience by enabling completion of questionnaires via the most suitable data collection mode (provisioned device, BYOD, WebCOA, interview)

TELEVISITS

Simplify remote visits with the televisit feature integrated into the eCOA app

STUDY INFO AND RESOURCES

Train patients and give them access to study resources thanks to the Kayentis Media Player

PARTICIPANT FEEDBACK QUESTIONNAIRE

Track patients' feedback with anonymized surveys at desired timepoints

eCONSENT

Optimize management of on-site, remote, and re-consent

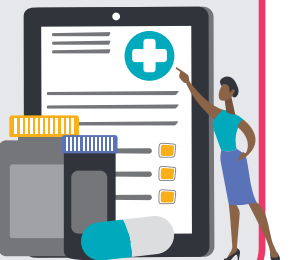

PATIENT TRANSPORTATION

Improve enrollment and retention, and reduce missed visits

MEDICATION ADHERENCE

Boost adherence with interactive SMS reminders & confirmations
